Ofer Yardeni named the new Chairman of Friends of the Israel Defense Forces (FIDF) Real Estate Division

New York, NY - FIDF's Real Estate Division is proud to announce Ofer Yardeni as its new chairman. The Real Estate Division was founded in 2006 by a group of successful business and philanthropic leaders in the Real Estate community in New York who are passionate about supporting the soldiers of the IDF.

Mr. Yardeni was the Honoree at FIDF's 5th Annual Real Estate Reception, helping to raise nearly half a million dollars. Mr. Yardeni's commitment to Israel's young soldiers is remarkable; due to his dedication to FIDF's mission, more than 650 people filled Gotham Hall on November 16th of 2010, pledging their support for the soldiers of the IDF.

Ofer Yardeni is a managing partner and co-founder of Stonehenge Partners. Mr. Yardeni has over 23 years of experience in the real estate business concentrating in the commercial and multifamily real estate sectors in New York. He is also an active member of multiple charitable and professional organizations.

FIDF initiates and helps support educational, social, cultural and recreational programs and facilities for the young men and women soldiers of Israel who defend the Jewish homeland. FIDF also provides support for the families of fallen soldiers.
